PREFACE.

SOME years ago I found, among the Petrie Collection, many rare and beautiful Irish airs, to which from time to time I wrote words. The result is the present publication.

M. Berthold Tours has, in his symphonies and accompaniments, done exactly what should be done with national remedies—namely, as little as possible. For such music, simplicity is the truest art.

Being myself an Irishwoman, my work has been a work of love; hoping to sing—not sermonise—into the English heart a tenderer feeling towards Old Ireland. I prefer to dwell, not on the faults, but the virtues of my people; their domestic purity, their strong affections, their innate loyalty, courage, and fidelity; also, last, not least, their indomitable *gaiété de cœur*, which implies neither hardness, shallowness, nor selfishness of heart, yet enables the Celtic nature to tide over trouble in a way which the more sombre Saxon can hardly understand. If I can do this, I shall go on singing. Thus taking up Thomas Moore's harp, I may lay it down, as he did, with his own farewell words—

I was but as the wind passing heedlessly over,
And all the wild sweetness I waked was thine own.

THE AUTHOR OF "JOHN HALIFAX, GENTLEMAN."

OPINIONS OF THE PRESS.

—*—

THE TIMES.

"Mr. Grove, in his brief and able preface, calls the publication in an English dress of Otto Jahn's famous biography of Mozart 'an event in our musical history,' and his statement cannot be considered an exaggeration. . . . The English public is to be congratulated upon a translation of his monumental effort which may without exaggeration be called excellent. Miss Townsend has done her work with skill and conscientiousness, and we doubt whether a much more careful comparison with the original than we have thought it necessary to undertake would discover many, or any, serious blunders."

DAILY NEWS.

"He (Jahn) has made admirable use of Nissen, with his laborious compilation, and of all other authorities, and he has succeeded in producing a work which is complete without being confusing through excess of detail, and in which the interest of the narrative is not broken by undue reference to other writers who, treating of the same points, have treated them differently and often incorrectly. . . . The work has been well translated, and it is prefaced by a brief but interesting introduction from the pen of Mr. George Grove."

THE ATHENÆUM.

"It is with great pleasure that we are able to speak in terms of the highest praise of the manner in which Miss Townsend has acquitted herself of the by no means easy task of translation. In so voluminous a work as the present it is almost inevitable that a few slips should be found; but those we have noted are not only extremely rare, but mostly of slight importance. . . . We have done inadequate justice in this review to one of the most important works in the whole domain of musical literature; our excuse must be the absolute impossibility of dealing fully with it within reasonable bounds. We conclude by most cordially recommending it to all who are interested in music, and need only add that the printing and general appearance of the volumes are worthy alike of their contents and of the reputation of the firm which publishes them."
